

General Program

31st August – 1st September

Pre-conference excursion: Neolithic and Selcuk/Ottoman excursion

1st September

Pre-conference excursion: Eskisehir: Iron Age Phrygian to Byzantine excursion

2nd September

16.00 – 19.00 Registration desk open at Culture and Convention Center

17.00 – 18.30 ICAZ Executive Committee meeting, Room H

19.00 – 22.00 Opening ceremony and cocktail, Kemal Kurdaş Hall and Culture and Convention Center

3rd September

9.00 – 9.20 Morning coffee/tea

9.30 – 17.00 Registration desk open at Culture and Convention Center

9.20 – 17.00 Parallel Sessions

Raw Material Choice and Ornaments: Aesthetics, Availability, Social Value and Manufacturing Considerations, Room B

Identifying and interpreting food taboos: a zooarchaeological approach, Room C

Exploitation of animal resources in the prehistory of the South-East Europe, Room F

Conservative, consistent and comparative: Papers in Zooarchaeology honoring Richard H. Meadow, Room A

Animal Domestication and Biotic Exchange in East and Central Asia, Room D

GENERAL session, Europe and Southwest Asia, Room G

17.30 – 18.30 WG meetings

Worked Bone Research WG Room H

Fish Remains WG Room E

Bird WG Room G

4th September

9.00 – 9.20 Morning coffee/tea

9.30 – 17.00 Registration desk open at Culture and Convention Center

9.20 – 17.00 Parallel Sessions

Zooarchaeology in Turkey: contributions to understanding human-animal relationships at the crossroads of the Old World, Room A

High-resolution analyses of dental remains: broadening horizons, Room D

The diversity of exploitation and ritual use of animal in ancient East Asia, Room C

Paleoecology of the Quaternary using Microvertebrate records, Room F

GENERAL session, Medieval Europe and Americas, Room G

Understanding cattle-human interactions: interdisciplinary approaches to an ancient relationship, Room B

Excuse me, there is a hare in my soup, Room F

17.30 – 18.30 WG meetings

Microvertebrate WG Room F

PZAF Room G

Zooarchaeology of the Roman Period WG Room H

19.30 – 23.00 Dinner, Vişnelik

5th September

9.00 – 9.20 Morning coffee/tea

9.30 – 13.00 Registration desk open at Culture and Convention Center

9.20 – 12.30 Parallel sessions

Archaeozoology beyond the bones: future and prospects of biomolecular and physico-chemical analyses, Room A

Zooarchaeology in the Pacific, Room G (second half)

Putting the humor back into zooarchaeology, Room D (Second half)

Mobile pastoralism through the interdisciplinary lens, Room F

Bone refits in faunal analyses: Case studies and applications in archaeological assemblages, Room D

Teeth: to know, to eat, to use, Room C

GENERAL session, Dogs and Cats, Room F second half

General session, Asia, Room G

General session, Worked bone, Room C

13.00 – 14.00 WG meetings

Archaeomalacology WG: Room H

Taphonomy WG: Room E

Animal Palaeopathology WG: Room G

14.00 half day excursion, Iron Age Phrygian

6th September

9.00 – 9.20 Morning coffee/tea

9.30 – 17.00 Registration desk open at Culture and Convention Center

9.20 – 17.00 Parallel Sessions

General session, Africa, Room G

General session, Genetics, Room F

General session, Fish, Room G

General session, Methods, Room F

The archaeology of human impact on faunas: between historical and biological sciences, Room B

Zooarchaeology for Global Challenges, Room D

From Macroscopic to Molecular Methods and Techniques: A Discussion on Tools for the Study of Archaeofaunal Remains, Room C

Commensal vertebrates as bioproxies for human processes, room C

Animal remains and built space – contribution to the taphonomy of buildings, Room B (afternoon)

Teaching and outreach in zooarchaeology, Room A

12.30 – 17.00 Exhibition of posters submitted for the “Poster award”, at “Sergi salonu”

17.15 – 20.00 ICAZ International Committee Meeting, Room C

7th September

9.00 – 9.20 Morning coffee/tea

9.30 – 17.00 Registration desk open at Culture and Convention Center

9.20 – 17.00 Parallel Sessions

Animal introduction, adaptation and exploitation around the Baltic and beyond, Room A

Long term temporal trends in animal use, Room B

Social Networks and Animal Ageing and Sexing, Room C

Contextual Taphonomy in Theory and Practice, Room F

Animal Health in Archaeology: Integrating Landscapes, Populations, and Individuals, Room

Zooarchaeology and stable isotope analysis in arid and semi-arid environments, Room G

Shells of molluscs as archaeological and environmental records, Room D

17.30 – 19.00 ICAZ General Meeting, Kemal Kurdaş Hall

8th September

Post – conference excursion: Eskisehir: Iron Age Phrygian to Byzantine

8th – 9th September

Post – conference excursion: Bronze Age – The Hittites
